## BECOME A POOCH PLAYOFFS PROJECT PATRON

### POOCH PLAYOFFS

A professional portrait project dedicated to honoring our local heroes—the service dogs and therapy dogs who transform lives every day. This series celebrates their stories while supporting Fidos For Freedom in their mission of providing specially trained hearing dogs, service dogs, combat-related PTSD dogs, and therapy dogs.

### Why Sponsor?

- **Fund the Mission:** Your support helps cover the professional portrait experience for our local service dogs and their handlers.
- **Honor Local Heroes:** Help us tell the stories of these incredible dogs through high-end photographic art.
- **Support Fidos For Freedom:** Sponsorship proceeds above project costs are donated directly to help provide life-changing service dogs.
